Description

Introducing the stunning 2005 Evolution Yachts Custom, Launched 2007.

A remarkable vessel with an impressive overall length of 33.53 meters. One owner from new.

The yacht boasts a robust fiberglass hull, ensuring durability and performance.

Powered by twin MTU 2000 16v diesel engines with 3025 hours, it delivers a cruising speed of 16 knots and can reach a maximum speed of 23 knots, making it perfect for both leisurely cruises and spirited adventures.

Its impressive range of 1200nm allows for extended voyages, providing the freedom to explore distant shores.

Interior designed by Australian designer Sam Sorgiovanni

The boat is also offered with **Balearic Charter License & mooring rental** in the prestigious Port Adriano, Mallorca.
