Description

This 2008 Fjord 40 is a highly versatile and sought after model, offering an ideal platform for both private use and charter operations. Designed to accommodate up to twelve people on board and licensed in Spain for charter with eleven passengers, it provides excellent flexibility for day trips and coastal cruising. The spacious layout, stylish Scandinavian design, and reliable performance make it a standout choice. It also offers comfortable overnight capacity for two guests, adding further appeal.

EXTRAS & MAINTENANCE

2023

- Joystick control NEW 2023
- Annual engine inspection by the official Volvo dealership.

2022

- Installation of a new hydraulic system on the platform . (Its is common to find such a platform in a longer Fjord, not for a Fjord 40)
- Sanding + Antifouling
- Annual engine inspection by the official Volvo dealership. Remove the engines for a complete external component service.

2021

- Paint the hull with the original shipyard color.

2019

- Outdoor refrigerator 1,20 x 40 cm
- Replacement of the entire port-side engine block with a new one by the official Volvo service in Ibiza.

Manufacturer Provided Description

Fjord has always been known for producing exceptional motor boats. In its new designs, Fjord seeks to create something truly extraordinary. We commissioned Patrick Banfield for this project. He is one of the industry's most distinguished motor yacht designers. His numerous innovations have left a mark on recent motor yacht designs. We feel that hull design is a naval architect's signature. It defines a boat's durability and seaworthiness. Fjord 40 Open has beside its extravagant use of space and stunning design - more than 10 m2 of sun beds, seating for up to 12 people around the convertible table, walk-around deck, a spacious pantry and wet bar for any occasion - and also accommodation for two in the cabin below.
